

Emirate REIT awarded Best Investment Fund and Best Real Estate Finance Company

Emirates Reit

13 December 2015

Emirates REIT would like to thank all the investors, peers and financial experts who honored the REIT with the “**Best Investment Fund**” and “**Best Real Estate Finance Company**” awards at the **Islamic Business and Finance Awards**.

These prestigious awards, held annually since 2005 by CPI Financial, are based on a public vote and are a testament of the continued trust and confidence in the company.

These are the first corporate CPI Financial awards for Emirates REIT. It is a great achievement, coming within the first two years of listing the REIT.

Sylvain Vieujot, the Executive Deputy Chairman, said: “It brings us great pride that Emirates REIT has been selected as the Best Investment Fund and the Best Real Estate Finance Company, by the Islamic Finance Industry. We share this award with our investors, partners, board members and our team who made Emirates REIT a success and show continuous support.”

About Emirates REIT

Emirates REIT, (NASDAQ Dubai: REIT; ISIN: AEDFXA1XE5D7), the first Shari’a compliant Real Estate Investment Trust listed on NASDAQ Dubai, is a Dubai-based real estate investment trust established to principally invest in income-producing real estate in line with Shari’a principles.

Emirates REIT is categorized as a domestic fund, an Islamic fund, a property fund and a real estate investment trust and benefits from an exclusive Ruler’s Decree permitting to purchase properties in onshore Dubai through its onshore Dubai branch. Emirates REIT has acquired various freehold, leasehold and contractual interests in eight properties all located in Dubai.
